Pope Francis

"Each in his or her own way" the Council says.

We should not grow discouraged before examples of holiness that appear unattainable.

There are some testimonies that may prove helpful and inspiring, but that we are not meant to copy, for that could even lead us astray from the one specific path that the Lord has in mind for us. The important thing is that each believer discern his or her own path, that they bring out the very best of themselves, the most personal gifts that God has placed in their hearts, rather than hopelessly trying to imitate something not meant for them. We are all called to be witnesses, but there are many actual ways of bearing witness. Indeed, when the great mystic, Saint John of the Cross, wrote his Spiritual Canticle, he preferred to avoid hard and fast rules for all. He explained that his verses were composed so that everyone could benefit from them "in his or her own way". For God's life is communicated "to some in one way and to others in another".

Rejoice & Be Glad paragraph #11

"...Behold, one is coming after me; I am not worthy to unfasten the sandals of his feet." – ACTS 13:25

Stewardship is a lifestyle, it's not a program or a process. It's how we are called to live our lives twenty-four hours a day, seven days a week! It challenges us to live "God-centered" lives, not "self-centered" lives. Reflect on your daily activities, do you do them for the glory of God or for the glory of your own name?
